

REFLECTION

**An exhibition of photography, paintings, prints and drawings
by Patricia Ellis and Sue Wookey.**

14th – 21st June 2014

The Eagle Gallery, Bedford

'Reflection' is an exhibition of work by Eagle Gallery artists Patricia Ellis and Sue Wookey. Using a range of media to capture their experiences, Patricia and Sue present both a reflection of the world seen in the mind and heart of the artist and also challenge us to reflect on the world with its tension between urban life, landscape and nature.

In 2012 Patricia and Sue exhibited together in London at the Gallery in the Crypt, St Martin in the Fields, along with four other local artists. They realised that they both had a similar approach to how they work with their cameras and what captures their eye, and the idea of a joint exhibition started to come together which has now expanded to include paintings, prints and drawings. The work includes both urban and natural environments, people and wildlife, the external world and its inner reimagining.
